Vietnam War Veteran in Nebraska Receives Free Car Repairs From AAMCO's National Charitable Program

Purple Heart Veteran Enjoys Free Car Repairs from AAMCO Center in Omaha

HORSHAM, Pa. – [AAMCO](#), the world's largest chain of transmission specialists and leader in total car care, continued its [50 Cars in 50 States](#) initiative by repairing the car of a veteran in Nebraska through its national partnership with the [Military Order of the Purple Heart](#) (MOPH).

In honor of its 50th anniversary, AAMCO partnered with the MOPH to give back to America's veterans in communities across the country. Through the [50 Cars in 50 States](#) program, [AAMCO is repairing the cars of combat veterans](#) with the goal to repair one in each state to commemorate 50 years of total car care service.

Jim Varejcka, the MOPH Department of Nebraska commander, nominated the veteran to participate in the [50 Cars in 50 States](#) program.

"I would like to thank AAMCO and all of its partners for providing this program to our veterans," said Jim Varejcka. "It is appreciated and necessary for our veterans who have fallen on some hard times. Thanks for supporting of our veterans."

The [AAMCO of Omaha](#) service center, at 5254 South 133rd Court, provided the complimentary repairs. AAMCO certified technicians conducted a thorough diagnostic inspection to ensure all needed repairs were made. Ultimately, AAMCO repaired the power steering lines and hoses, replaced the rear shocks and intermediate exhaust pipe, and performed other routine auto maintenance to ensure the car will continue to operate safely for the veteran.

"We are very appreciative of the service and sacrifice of our military veterans," said Casey Velinsky, owner of AAMCO of Omaha. "It was an honor to help this veteran with auto repairs through AAMCO's [50 Cars in 50 States](#) program."

About AAMCO

[AAMCO](#) is the world's largest chain of transmission specialists and a leader in total car care services. AAMCO has more than 900 automotive centers throughout the United States and Canada. Established in 1962, AAMCO centers are proud to have served more than 45 million drivers. For more information, visit www.AAMCO.com.

About the Military Order of the Purple Heart

The organization now known as the "[Military Order of the Purple Heart](#) of the U.S.A. Inc.," (MOPH) was formed in 1932 for the protection and mutual interest of all who have received the decoration. Chartered by the Congress, The MOPH is unique among Veteran Service Organizations in that all its members were wounded in combat. For this sacrifice, they were awarded the Purple Heart Medal. With grants from the MOPH Service Foundation, the MOPH and its Ladies Auxiliary promote Patriotism, Fraternalism, and the Preservation of America's military history. Most importantly, they provide comfort and assistance to all Veterans and their families, especially those requiring claims assistance with the VA, those who are homeless, and those requiring employment assistance. Through the VAVS program, MOPH volunteers provide assistance to hospitalized veterans at VA sites and State Veterans Homes. The MOPH national headquarters is located in Springfield, Va.
